even height and weight, are asked on application.

- **No medicals at all on claim.** This means that the insurer does not have to write the doctor or hospital to cross check and verify or verify anything like non-disclosure.

- **Immediate lump sum payment.** This is guaranteed within 24hrs of proof of death and the money is remitted anywhere in the world. This can be used to meet funeral expenses and/or leave money to the loved one. This only possible because the plan is on offered on 'no medicals at all' basis which means all that is needed before payout is proof of death and a claim form advising where the money should be deposited.

- **Fixed or guaranteed premiums.** Payment is fixed from the outset and will never change.

- **Avoid stress.** The loss of a family member is a very stressful time. Funeral cash plan ensures that financial problems don't further exacerbate matters.

- **Peace-of-mind.** Knowing that you've got burial insurance allows you to rest more easily, especially if you don't have savings that can be used to pay for your burial or cremation.
